GRAY: Hello?

FORDHAM: Mighty Bro.

GRAY: This is the crazy thing man. I just got off the phone with him.

FORDHAM: Uh-huh.

GRAY: I was gonna say. He was saying that Tony let him branch off. This and that, and whatever and I said look you don't really have no evidence. I said you need to have a witness because you never branched off like

FORDHAM: Right. The nigga , hee--e lying bro The nigga lying.

GRAY: I said even if he did tell you do it then. You never did it then. I said my biggest issue. I said I don't know. I said branching off. He was saying back then I ended up getting a violation. I got like mouth shots, and chest shots, because they though I was trying to start a mutiny at first.

FORDHAM: Right.

GRAY: and then Tony said. Ahhh. Look that's messed up I was wrong for violating you cause they all got their own little branches, and stuff now I am gonna shut they stuff down. Go ahead, and you can start yours, and whatever, and I was like you know what I mean. He has been around for a long time I said. I said. I think three-star universal minister of literature (U/I) is ok for him, but at the same time I said bruh universal status can get you killed though bruh. I said your name is in paperwork.

FORDHAM: Right.

GRAY: How you gonna get over that? He was talking about we never

went by Chicago rules. I'm Like bro this is not Chicago. We have rules.

FORDHAM: Right. Exactly.

[CLIP B: 01:59- 03:44]

GRAY: You know. that's universal, and I tried to stand with him, and he didn't get on the phone, and I was like look, that was the niggas MO when he got locked up before you all (U/I) Took him from Insane and made him a Traveler. You all knew what he was locked up for.

FORDHAM: Right.

GRAY: [U/I] paperwork

FORDHAM: Right.

GRAY: You all knew, and you made him a traveler anyway. And you all gave him his stars.

FORDHAM: Right.

GRAY: So when he do it again, how are you all going to try and take his shit.

FORDHAM: Right

GRAY: [U/I] At That time Spoonie would never talk to him so I couldn't. You know what I mean? I couldn't vouch for [U/I]

FORDHAM: mm hmm

GRAY: But at the same time [U/I] said you gotta look. You got a universal what does it matter what-what. I said bro it's a core brah. He's saying he's got three-star niggas gonna ask him. They gonna do an investigation.

FORDHAM: Right.

GRAY: Who you are, and that shit is gonna come up. What you gonna say to them (U/I)

FORDHAM: Right.

GRAY: I mean like that's paperwork bro.

FORDHAM: Yeah.

GRAY: [U/I] I aint gonna lie I think he should be a three star universal minister of literature nothing higher, only because he's been gone for so long, but because he can teach literature niggas don't know literature but at the same time I don't see how they can sit on that. When his name is in paperwork.

FORDHAM: Exa-Exactly

GRAY: And he's telling me. He said. He said well how am I wrong because I didn't snitch. I-I I told him that you not. No longer a part of us. We told him, and you know, he turned himself in. We made him turn himself in. He said how am I wrong. I said bro I wasn't even there. You know what I mean?

FORDHAM: Right.

GRAY: And that's. I said I told the niggas that I didn't even want to see the paperwork, but I did see. He tried to say his name wasn't in no paperwork, and I said brah your name was in it.

FORDHAM: Yeah.

[CLIP C: 03:56-04:52]

FORDHAM: Hey bro you know I. You know me I'm a fair brother. You know I'll be on no fuck shit bro, but I seen the paperwork too, and then you said you were not a part of us no more.

GRAY: Yeah. So. So. I'm like that's that's the hurdle right there brother, because you got people that (U/I). It's not like any other (U/I) universal star people gonna ask about you. They are gonna do an investigation.

FORDHAM: Right.

GRAY: You can get get killed over Universal status man. [U/I] you go to Tennessee, and [U/I] talking about you got Universal stars nigga and your shit can't be verified them niggas gonna kill you.

FORDHAM: Right, exactly.

GRAY: Them niggas not playing with them slots man

FORDHAM: Right

GRAY: You talking about, I was like, bro this is not out of the [U/I] bro this is [U/I].

FORDHAM: Right. Them niggas kill me with that bro, with that always talking about some [U/I] Detroit do it different. No we don't. Y'all niggas different. We ain't gonna do it different now.

[CLIP D: 05:24-06:37]

FORDHAM: Bro I told the nigger teach the brothers, and sisters literature. I didn't say no stars, or none of that shit. That-that could be his job.

GRAY: He did say that, but he did tell me teach the brothers. And I said because Bro I-I aint gonna' lie to you. I told him I said, I said that's the biggest hurdle right there man. I couldn't, you what I mean, that's -that's in the law.

FORDHAM: Right.

GRAY: Niggas is not gonna go for that one.

FORDHAM: No.

GRAY: I said what you gonna say when-when that questions gonna come up.

FORDHAM: Right.

GRAY: Then what you gonna say if people think you're trying to do a munity again?

FORDHAM: Right.

GRAY: He said I aint trying to do a mutiny, but people said that last time. What you going to say if they say it this time.

FORDHAM: Right.

GRAY: That's what you got to think about, right. You know what I mean?

FORDAHM: Yeah. Hell yeah. No doubt.

GRAY: So you say you want to branch off now, but you sayin you got a violation then but you say you fucking good, and Tony said it wasn't him it was the other brothers that got upset about it. Which it probably was Tony.

FORDHAM: Man that-that nigga lying.

GRAY: But either way it goes you got a violation for it before. Why you think the brothers won't feel the same way now?

FORDHAM: Right.

[CLIP E: 7:39-08:26]

GRAY: That whole the frustration, and you know what I mean niggas. I'm like bruh. I said were connected man that's a Golden cord. He said we wasn't doing no Golden Cord. I said man, that's a prayer man. That's a greeting man.

FORDHAM: EE-Exactly. EE-Exactly.

GRAY: What you talking about man? We plugged, we connected man. We-we when people ask about each other man.

FORDHAM: Right.

GRAY: People go on and ask about you, and they gonna do an investigation bruh.

FORDHAM: Right.

GRAY: That is how it gonna be, (U/I)

FORDHAM: Right. Then the crazy crazy part is bro why you wanna just be something four corners you know what I am saying? You don't wanna (I/U) this is the nation. Like you said bro I mean we could. It's connected-connected (U/I) now we all we all tied together by the Golden cord It.. I mean it's nothing else to be said about it.

FORDHAM: Right.

[VOICES OVERLAP]

KIMBROUGH: Now from what I'm hearin', I'm hearin' that you know they set her up after, after she gave her little repass, they...

[VOICES OVERLAP]

FORDHAM: Uh-Huh.

KIMBROUGH: ...uh, they pick her on the East side and shit and jumped on her, she said she was out usin' the bathroom her and her daughter, when she usin' the bathroom on the side of the street somewhere and he said, and she said that they jumped on her now you know they broke her daughter jaw, she, we was at the hospital yesterday.

FORDHAM: Uh-Huh.

KIMBROUGH: And uh she said, I say well who did it? She said well it was little Ugly and his girl and some uh, they was with the dude momma' but you know I know the nigga' she was fuckin' with Black, I know he was married or whatever.

FORDHAM: Right.

KIMBROUGH: So I don't know what is got, what all that's got to do with but when I was told about it, that's what was told to me so I was kickin' it with Fouche and Boss Hog.

FORDHAM: Uh-Huh.

KIMBROUGH: I'm like well what's, what's up with that, what, you know what I'm sayin', we need to do I mean somethin' need to do, this ain't the first time they don' got into it.

FORDHAM: Right.

KIMBROUGH: And he supposedly did some shady shit.

FORDHAM: Right.

KIMBROUGH: But for him to hit, hit her, hit her daughter in the mouth...

FORDHAM: Yeah that's what...

KIMBROUGH: ...bro' she in the hospital you know what I'm sayin', she gotta' have surgery.

FORDHAM: Right, right and that's what I was tryin'a explain to her, I'm like you not, you getting mad but you not tellin' me what's goin' on.

KIMBROUGH: Uh-Mhm.

FORDHAM: Like I told her, I was like y'all keep a lot of shit secret from me until y'all see and some more other shit then y'all try to come to me but then, y'all try to to come to me and all, I was like while I'm at the top of the food chain now when any other, any other time when I talk to my CEO Pete and all that shit, you know what I'm sayin'?

KIMBROUGH: Right because from what I heard, I heard they was just in front of Pete and uh she told him- You know since it's so much bull shit about this car, I'm gone and give y'all, give you the car. And that was said in front of Pete and after that, at the repass, after the repass that's what happened.

FORDHAM: What? After the repass she gave him the car?

KIMBROUGH: No after the repass she was supposed to go give him the car but all that shit jumped off.

FORDHAM: [U/I].

KIMBROUGH: So they had just talked about, she said they had just talked about it in front of Pete and she told little Ugly that she was gonna' just give him, sign the car over to him.

FORDHAM: Yeah but shit, not, do you get where I'm comin' from though sister? Shit ain't makin' sense, why would you have to sign the car over to little Ugly? Or he mad because you your man died and he left you the car? Ain't makin' no sense.

KIMBROUGH: Right, well that, it don't and I asked her that just like me and Fouche was saying, well what you gonna' do that for?

FORDHAM: Right, that's what I told her.

KIMBROUGH: That shit don't make no sense.

FORDHAM: That's what I told her I was like that don't even make sense, why would you do that?

KIMBROUGH: And then so, uhm I told her, I was gonna' get up with her today because I know she was up at the hospital, so I told her I was gonna'...

FORDHAM: Well she at, she at her house now 'cause she called me and I came over there cause she trying to explain, eventually she was like- I talk to Boss Hog or whatever. So I called Boss Hog and Boss Hog like- Bro' what you want me to do? I'm like bro' I'm not gonna' give you no order to do somethin' when I don't know what's goin' on nobody ain't tellin' me nothin'.

KIMBROUGH: We need little Ugly there bro'.

FORDHAM: Yeah, that's, that's what I was tryin'a tell her, I was like I can't, then- You need to go, y'all need to go handle and kill, I want that nigga' killed! Then I'm like first of all sis you out of law for sayin' you want that brother killed.

KIMBROUGH: That's right.

FORDHAM: I was, I was, she was like. That's why people. I was like I don't care, I was like I don't care if the righteous don't fuck with me, that why the righteous do fuck with me 'cause I stand on law.

KIMBROUGH: Exactly, exactly.

FORDHAM: I was we can't pass judgement on that man, he's not here! He

might tell me what I wanna hear that you not tellin' me.

KIMBROUGH: Uh-Mhm, exactly, that's why I [U/I], I said that to Fouche yesterday, I said well we need, and what... Fouche like- Well no we gonna', Boss Hog gonna' handle it. Boss Hog gonna' handle it? No nigga' she need to be there, we need to be there.

FORDHAM: Exactly, exactly!

KIMBROUGH: We need to be there, what you mean?

FORDHAM: Exactly, exactly! [PAUSE] That's what I told her, she told me yeah. I'm like naw, I'm like he, he entitled to a fair trial.

KIMBROUGH: Exactly, that's law.

FORDHAM: Yeah.

KIMBROUGH: So I'm with it, I'm with it whenever, whenever they ready for it, I'm with it.

FORDHAM: Yup that's, uhm, well I was talkin' to Boss Hog today he like- You should.... He was like- Man. He was like- Bro'. He was like- You should violate her now. I'm like no she in her feelings. I'm like she ain't really said none out the way. And he was like- Man she need to shut the fuck up screamin' before I come over there and violate her. So I just walked all on off and got in the car so I was talkin' to him, you know what I'm sayin'?

KIMBROUGH: Uh-Mhm.

FORDHAM: Some bull shit goin' on, I was nigga' just... He's like- Bro', I told her I'ma get to the bottom of it. An he was like- Bro' I'm, I'm goin' by what you tell me. He was like- Nigga' I can't just go lay hands on mother fuckers and tear niggas asses up and they ain't got no trial. I'm like you're right.

KIMBROUGH: Exactly, I'ma pull down on her today. I'm 'bout to leave and uhm, drop my puppy back off. I had to give my puppy shots and shit.

FORDHAM: Okay.

KIMBROUGH: I'ma drop him back off and then I'ma go pull down on her.

FORDHAM: Okay.

FORDHAM: Yeah may be you can explain to her better than I can because I I was bein' frustrated 'cause she, you know I'm sayin'? I was like I told her, then you sittin' up here tellin' me to go, not do bodily harm to a brother. Put, put him in the dirt! What type of shit is that?

KIMBROUGH: Right, right. Yeah, I'm holler, I'ma holla at her bro', I'm up here at the register, I'ma hit you back.

ATF Item 38, Call 10

[3:18 – 7:28]

STARKS: I'm going to talk to the um Grand Sheik. I got a meeting with the Grand Sheik today anyway so, I'll going let him know what's going on. Um [unintelligible] tell Dunn the next time that uh that he call or the next time, [unintelligible] usually everybody should call on Monday's or Tuesdays, cause I [stutter] meet with the Grand Sheik, every, every, you know uh every Sunday.

CAMPBELL: Okay, well yeah uh, I'm little man, Aziz El Shabazz. Man I hold 3 star, the branch from um, got it from um Kiante Hickey. Kiante Hickey, uh Stone, he hold a Glove.

STARKS: Right.

CAMPBELL: So that's, that's who my blessings was received from, but yeah, that's my purpose of me uh one oh two though man, you know.

STARKS: Right. You remember me don't you. You remember me don't you Lil Man?

CAMPBELL: This who, Kalif?

STARKS: This Khalifa.

CAMPBELL: I'm hey, why I knew your voice, I'm like I know this bro. Oh, man you know, ah yeah.

STARKS: (Laughing)

CAMPBELL: Man, what's happening man? (laughing) What's really good man?

STARKS: (laughing) what's going on baby?

CAMPBELL: Oh yeah man

STARKS: [unintelligible] Shit.

CAMPBELL: Hey, hey I'm glad to hear from you, man it's all is well beloved, but yeah that's my purpose bro, you know [unintelligible] I'm gonna I'm a stand on, you know what I'm saying.

STARKS: Right

CAMPBELL: That's what that was though man, that's my reason for that though, you know what I'm saying, but, you know what I'm saying. If it's on your word bro, I'll make it right, you know what I'm saying, on the strength of you. I'll, make it right. But I'll be level 2 next month though man but uh-

STARKS: You'll be level 2 next month?

CAMPBELL: [unintelligible] Huh?

STARKS: You'll be level 2 next month?

CAMPBELL: Yeah, I'm about to be level 2 next month. Man, I'll probably be over there with Solid and them and all them man. I go meet Shooter tomorrow um, at the little service or whatever so we going to build, you know what I'm saying but um, yeah Dunn fixing to be leaving too man so probably be me left, you know what I'm saying-

CAMPBELL: Okay then, that's what I'm talking about, he you hollered at Lucky?

STARKS: Yeah, I been, I been talking, I been in contact, he be calling me every Tuesday.

CAMPBELL: Oh yeah, okay then, okay then.

STARKS: I got mostly all, everybody from each, each facility calling me on Tuesday's after, you know after we have our service and stuff you know.

CAMPBELL: Oh on Tuesday. Ok Then. Well yeah, I'm going to have to uh store you in there man. I'm going to keep your numbers and stuff but uh everything, all is well though beloved, man you know I'm just been trying to travel real wisely, ain't nothing personal or no hidden vendetta towards none of the brothers man it's just, the unity ain't, you know how it was before I left bro, I mean before you left man.

STARKS: Okay, check it out though. You know, you got your uh, you got your status on what? From how? From your leadership, from your leadership skills correct?

CAMPBELL: Exactly, yeah right, right. True.

STARKS: Oaky Then, that's something you have to put down because one thing about it if they not, if nobodies following law then they out of law so they got to me, you know, they got to be responsible for they own selves. All you gonna be responsible for is what you given them, and that's the teachings and the knowledge you give them, you see what I'm saying?

CAMPBELL: Right

STARKS: If they don't fall up under that then that's something that um, that you, and um, I don't know who is the uh first lieutenant there, but that's between you and the first lieutenant or whoever got the, I believe you are three on the low end right?

CAMPBELL: You say huh, no uh, you say huh?

STARKS: You three on the low end right?

CAMPBELL: Yeah, yup, yup, on the branch

STARKS: Okay. So that means you really supposed to hold, you supposed to hold, you supposed to hold court, you see what I'm saying?

CAMPBELL: Right

STARKS: Because that's how it go, it go you and then everybody else. Anything over you is just there for a visitor. You supposed to hold court and the first lieutenant is supposed to come up under you-

CAMPBELL: Alright, alright-

STARKS: And then the Chief Enforcer, and then, you know what I'm saying, and then the soldiers, you know what I'm saying? You supposed to have court bro.

CAMPBELL: Alright, alright, alright, well um, well look. When you talk to him, you put that in play man, and I'm a step up and uh, play accordingly you feel me.

STARKS: Alright, cause I'm going to put that, that's what I'm fixing to do, I'm fixing to let everybody know because um, I got paperwork from Grand Sheik last week on how it's supposed to be and I ain't got a chance to tell nobody. But this how is going to start have to be run through every, every facility cause our temple is what, run through. Ain't going to be no, no, nobody else besides our temple is supposed to run every facility bro cause we from Michigan.

CAMPBELL: Right, alright, alright.

STARKS: Alright.

CAMPBELL: Well, that's what it is man then.

And he got letters, he's writing letters to the bros up in the up there, talkin' bout he this and he that. And it's still, it's still, the demonstration still going down when it's not.

YOUNG: Okay. Okay then.

STARKS: [unintelligible] Ain't no need. Ain't no need for us saying that shit [unintelligible] that shit up bro.

YOUNG: All is well. I'm telling you, everybody telling me, when I'm hearing it, they saying they getting it from bro. You know what I'm saying, I'm like hold on man, how is ya'll getting that and I ain't getting that ya know.

YOUNG: Straight up.

STARKS: Yeah.

FORDHAM: [unintelligible]

YOUNG: I aint, you know what, and, and I just got a couple little pictures from him today too. He sent me a couple little pictures of him.

FORDHAM: Yeah, now see, that's another reason I know up front now. I know. I know exactly who it is bro. I know exactly who it is, because lil' bro came over and told me that he told him that they got me and his phoned tapped on a conversation. Lil bro came over on a motorcycle and told me that shit last week. So, I know who did it. I know who it is then. Cause how the fuck you know that.

WATKINS: Right. How you know the phones tapped?

FORDHAM: Right.

WILHITE: [U/I]

FORDHAM: Naw, when you just said that, I put two and two together. I know who it is. I ain't going to expose him in front of everybody but I'm going to expose him for the people that's supposed to know. You know what I'm saying.

FORDHAM: Yeah, Right. Exactly.

WATKINS: You can be what you wanna be

FORDHAM: Exactly

WATKINS: So, as long as everybody just shut the fuck up

FORDHAM: Yeah

WATKINS: and don't make it a bigger case

WILHITE: Oh God

WATKINS: That's what make it an indictment, when niggas get to talkin' and they make, they build a case. They make the case for em'.

FORDHAM: Exactly.

WATKINS: That's why these days they snatch up so many motherfuckers. They know out of forty. Ten of em' goin talk to you.

UNKNOWN: I don't know.

WATKINS: But if you get to saying, this person, then you connecting the dots and that's the indictment right there. Everybody know each other. [U/I] Everybody know him. Don't nobody know nobody.

UNKNOWN: For real

WATKINS: And make it separate situations. Whatever I got going on. Whatever you caught me with that's me. I don't even got nothing to do with no Vice Lords. None of these dudes. I don't even know them. You know what I'm saying.

UNKNOWN: [U/I] play it like that though

WATKINS: But the people that get to...trying to talk they way out of it. Goin' make it worse.

FORDHAM: Yeah, that's me too

WATKINS: They might get a name [U/I]

FORDHAM: That's me too. That's why I ain't really screaming my name like that. Lot of niggas don't know my face or even my name.

WATKINS: Facts

FORDHAM: Don't even know me so, if we go, come face to face in court. I'm going be like you can't even say who I am

WATKINS: You can't say it's me. That's how you got to play it.

UNKNOWN: Damn [U/I] forty something people

WATKINS: Man, that's a big indictment bro. You know how many...if they don't, you know what I'm saying. For real, like you know how big it takes to get the judge to write a forty something uh warrant to kick in forty something doors.

UNKNOWN: Yeah

WATKINS: It's got to be something serious. They not just fixing to be doing this to [U/I] play or

FORDHAM: Exactly

WATKINS: You know what I'm saying. Niggas just kicked in forty something doors...motherfuckers from all out of town to come do this shit.
